CALL FOR PAPERS

MWAIS 2016
MAY 19-20
MILWAUKEE
WISCONSIN

11th ANNUAL
MIDWEST ASSOCIATION FOR
INFORMATION SYSTEMS CONFERENCE

The 11th Annual Midwest Association for Information Systems Conference (MWAIS 2016), hosted by the School of Information Studies (SOIS) at the University of Wisconsin-Milwaukee, will accept current topics on pedagogy, research and service in IS and/or IT. The conference will provide an intimate environment to facilitate the sharing of ideas and findings.

MWAIS 2016 seeks to expand the information frontiers of IS. We invite submissions reflecting a plurality of perspectives on the field of IS. Submissions of an interdisciplinary nature are especially encouraged.
We will have several presentation sessions, workshops, invited keynote speakers, panel sessions, doctoral and undergraduate student sessions. There will be speakers from academia, industry and government from across the Midwest region and beyond.

BEST PAPER AWARDS: The MWAIS 2016 conference program committee will nominate three papers for best paper awards.

STUDENT SUPPORT: MWAIS will waive the registration fee for students whose papers are accepted and who will be presenting at the conference (one student per paper).

Conference Chair:
Dr. Shana Ponelis, Assistant Professor
School of Information Studies, Univ. of Wisconsin - Milwaukee
Email: ponelis@uwm.edu
